

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

✨ **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora. *

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.

Perceptions of AI Use in Online Dating & Relationships

Hey there! I'm Pranav Arora, and I need your support for my research project!

I'm conducting a brief study on the topic as mentioned above, and I'd be extremely grateful if you could take just 5 minutes to complete a quick survey. It's all **multiple-choice and linear scale questions** — no long answers, just your honest opinions!

🌟 **Your input means a great deal and will significantly** help me complete this research successfully.

✉️ Also, feel free to **share it with your friends** — the more responses, the better!

For any doubts or suggestions, email at pranav.arora@tu-ilmenau.de.

By proceeding with this survey, you confirm that you understand and agree to the processing of your responses for academic research purposes. Your participation is entirely voluntary, and you may withdraw at any time before submitting the form. The survey does not collect any personally identifiable information, and all data will be treated with strict confidentiality. Your responses will remain anonymous and will be used solely for analysis related to this study. The results may be shared in academic reports or presentations, but no individual respondent will be identifiable. By continuing, you give your informed consent to participate in this research conducted by Pranav Arora.
